# Ramendra Tripathi

Narrative Designer | Writer | Game Developer

## WORK EXPERIENCE

**Lost Empire Entertainment** **Sept 2025 – Dec 2025**
*Circuit Chan - Narrative Designer / Level Designer* *Remote*

- Designed levels, puzzles, characters, world and narrative themes inspired by Estonian mythos and folklore for a cozy mystery puzzle game.

**Tentworks Interactive** **Dec 2023 – Feb 2024**
*Becoming Pablo - Narrative Designer* *Remote*

- Designed overarching narrative structure of the main campaign of Becoming Pablo – an alt history drug management simulator with a heavy focus on narrative.
- Wrote the screenplay and the dialogue for the main campaign.
- Designed gameplay events and quest lines.
- Collaborated on game design elements, and on integrating narrative with gameplay mechanics.

**NEDI Games** **Oct 2022 –Dec 2023**
*The Guernica Engine - Narrative Designer* *Remote*

- Pitched and developed multiple world concepts inspired by the themes in the works of Zdzisław Beksiński and Picasso.
- Created the main world, history, lore, all characters and the complete outline for the story.
- Created branching path narrative that dynamically incorporated the themes of the story.
- Created multiple prototypes using Twine and Articy Draft 3.
- Refactored the story and the prototypes for deployment on a different platform.

**INSANE AI** **Dec. 2022 – March 2023**
*Interactive Fitness Game - Narrative Designer* *Remote*

- Pitched multiple pilot worlds, exploring a variety of themes like wellness, self-improvement and fitness inspired by Indian and Hindu mythology.
- Devised narrative methodology and logic for main camera-based fitness gameplay.
- Conceived and wrote narrative content for most aspects of the game.
- Conducted research on user flows and user preferences.
- Developed compelling characters and crafted dynamic themes tailored to the product and user's experience.
- Wrote the screenplay, provided VO and cinematic direction cues.

**Four Moons** **April 2022 – Aug 2022**
*Tales of OCCI - Game Writer (Volunteer)* Remote

- Collaborated with a team of writers to develop comprehensive histories, cultures, and religious frameworks for the primary race inspired by Confucianism and the Maya culture.
- Gained experience in interdisciplinary collaboration and content development, learning the value of cross-departmental dependencies.
